
PROGRAM: Northern Virginia Community College

PROGRAM DESCRIPTION: The contributions of the nine member jurisdictions of the Northern Virginia Community College (NVCC) are based on population. The contributions from the jurisdictions fund site development, maintenance of facilities, and land acquisition. The Commonwealth of Virginia pays for the construction of most facilities. Arlington's share is estimated at 11.03 percent of the total amount contributed by the nine members. The funds shown reflect Arlington's ongoing capital contribution as well as the County's contribution to finance, along with the eight other local governments, the College's program to construct a community center at each of the five college campuses.
